### FOR JAILER KNOX COUNTY

**E. J. WYRICK**

To My Many Friends:-

I come to you with good news: I was the lucky man to draw first place on the ballot and my name will be first.

This gives me a start, and if my friends will only come out to the polls and vote, I will show my opponents under so deep they will think that there has been a landslide.

Some two weeks ago I answered my opponent's claim that he had not levied on you for your taxes and had not garnished you for taxes or debt. I told you then that he had, he is silent, and it is taken for granted that he will have to remain silent on that part of it.

I have been out in the field, I find that my friends are going to stay by me. My old neighbors are anxious about my race and want to see me win, will you not give me your support?

I will be to see you before the election if I can possibly get to your home, but remember that in that event, I am anxious to see you and talk the matter over with you. What I want you to do is to come to the polls and bring your neighbor with you and cast your vote for the man who has never held an office, one that is a republican that has stood by the party and its principles for the past fifty eight years. A man that will appreciate your support,

and remember you for any kindness shown. Stay with me in this race and I am sure that I will win, and if elected, you will not have any cause to regret that you cast your vote for me.

Thanking you for your support, and assuring you of my appreciations of the kindness already shown, I am,

Your friend,  
E. J. WYRICK.
